Endorser Email	Daytime Contact Number	
Endorser Signature	Date	
Endorser Position in Organisation	Apprenticeship Completion date	

Submission of this document together with the successful application for JIB Grading will complete the Training Agreement. If employment as a skilled operative is to continue, you are advised to issue the appropriate Contract of Employment. An ECS card will be issued when the card application is completed. The issue of an ECS card does not constitute the offer of a contract of employment by an employer. Please refer to the apprenticeship scheme for procedures for apprenticeship completion.
