

JIB-Recognised Electrical Theory Qualifications

JIB recognised electrical theory level 2 qualifications (technical certificates):

The following technical certificates have been recognised by the JIB as providing credit towards the theory requirement of JIB apprenticeship or trainee registration at stage 2.

- City & Guilds 2330 Certificate in Electrotechnical Technology at Level 2
- City & Guilds 236 Parts 1
- City & Guilds 2360 Parts 1
- City & Guilds 2351 (Units 1, 2, 3 & 4)
- City and Guilds 2365-02 Level 2 Diploma in Electrical Installation (Buildings and Structures) 600/5498/0
- City and Guilds 8202-20 Level 2 Technical Certificate in Electrical Installation (Tecbac) (603/0228/8)
- Unit Accreditation of C&G 2356 - Electrotechnical Services
- Unit Accreditation of C&G 2357 Diploma in Installing Electrotechnical Systems and Equipment
- EAL Diploma in Electrotechnical Services (Units 1,2,3,4,5 & 6)
- EAL Level 2 Diploma in Electrical Installation (QCF) (600/6724/X)
- EAL Level 2 Intermediate Diploma in Electrical Installation (601/4561/4)
- Unit Accreditation of EAL NVQ Diploma in Installing Electrotechnical Systems and Equipment

JIB recognised electrical theory level 3 qualifications (technical certificates):

The following technical certificates have been recognised by the JIB as providing credit towards the theory requirement of the electrotechnical apprenticeship, industry NVQ level 3 or other industry competency-based assessment that leads to meeting the requirements of an ECS card.

Full certification of these specific qualifications may be presented as part of an ECS card application when proof of a “*JIB recognised level 3 electrical theory qualification*” is required as meet the eligibility requirements of the chosen ECS card (for example the *Experienced Worker (white card with a brown stripe)* or registration on the JIB apprenticeship scheme at Stage 3).

- City & Guilds 2330 Certificate in Electrotechnical Technology at Level 2 and Level 3
- City & Guilds 236 Parts 2
- City & Guilds 2360 Parts 2
- City & Guilds 2351 (All eight units)
- City and Guilds 2365-03 Level 3 Diploma in Electrical Installation (Buildings and Structures) 600/5499/2
- City and Guilds 8202-30 Level 3 Advanced Technical Diploma in Electrical Installation (Tecbac) (601/7307/5)
- EAL Diploma in Electrotechnical Services Level 3 (All ten units) (500/3526/5)
- EAL Level 3 Diploma in Electrical Installation (QCF) (600/9331/6)
- EAL Level 3 Advanced Diploma in Electrical Installation (601/4563/8)

Note:

1. The **Level 3 Award in the Requirements for Electrical Installations BS7671** certificate does not, on its own, show the underpinning knowledge requirements the electrotechnical apprenticeship standard, industry NVQ level 3 or other industry competency-based assessment that leads to meeting the requirements of an ECS card and therefore is not acceptable to meet the full eligibility requirements of an ECS card.
2. **All** the qualifications listed (level 2 and 3) can be used as evidence that the technical requirement for an Electrical Labourer card has been met.
